Organisation Overview

Name:

Glow Haven Beauty Studio

Background:

Glow Haven Beauty Studio is a modern beauty boutique that focuses on helping clients feel and look their best. The salon offers a variety of beauty services, such as skincare treatments, makeup services, hair styling, and nail care. The business wants to set up a luxurious and relaxing setting where clients can get benefit of professional beauty services. Glow Haven Beauty Studio takes joy in providing excellent services with the latest technologies and products.

Mission:

Our mission is to boost confidence and natural beauty by offering professional beauty services in a friendly and comfortable setting.

Vision:

To build the business as a recognized beauty place that offers excellent beauty treatments and excellent customer services.

Target Audience:

- Clients considering hair, nail, and beauty treatments.
- Students and young professionals.

Website Goals and Objectives

The goal of the website is to promote the salon's services and allow customers to easily access information and book appointments.

Objectives:

- Promote the beauty services offered.
- Allow clients to book appointments.
- Provide the location and contact information for the salon.
- Show salon prices and promotions.

Key Performance Indicators:

- Website visits.
- Online appointment bookings.
- Customer enquiries.

Current Website Analysis

Strengths:

- Active Instagram, WhatsApp, and Facebook accounts with good photos.
- Good local reputation.

Weaknesses:

- Customers may miss important information.
- No proper website.

Areas for Improvement:

- Develop a professional website for the business.
- Add online booking system.
- Online gallery for beauty work.
- Improve accessibility of services

Proposed Website Features and Functionality

The website will include:

- **Home page:** Summary of the salon and provided services.
- **About Us:** Background of the salon and team.
- **Gallery:** Photos of hairstyles, nails, and makeup work.
- **Booking page:** Appointment request form.
- **Contact page:** Phone number, email, and location.
- **Services page:** List of beauty treatments offered.

The website will allow users to:

- View salon services and prices.
- Browse photos in the gallery.
- Send appointment enquiries.
- View the salon location and business hours.

Design and User Experience

Colour Scheme:

Rose gold, white and soft beige colours to create a luxurious and classy look along with a colour scheme that will be soft and feminine to enhance the beauty brand.

Typography:

Stylish and modern fonts suitable for a beauty brand.

Layout and Design:

The website will have a clean and classy design with clear navigation so visitors can easily explore services and book appointments without confusion.

Technical Requirements

Domain:

glowhavenbeauty.co.za

Website hosting:

- Shared hosting (low cost).
- Cloud hosting (better performance).

Programming Languages:

- HTML
- CSS
- JavaScript

Tools/Plugins:

- Online booking tool.
- Image gallery plugin.
- Contact form tool.
- Google Maps integration.
- SEO tools for search engines.

Timeline and Milestones

Week 1: Research

- Study beauty salon websites.
- Plan website structure.

Week 2: Design

- Create wireframes.
- Choose colours and fonts.

Week 3: Development

- Build pages using HTML and CSS.
- Add gallery and avigation.

Week 4: Testing and Launching

- Test on phone and laptop.
- Fix errors and improve speed.
- Prepare for launch.

Budget

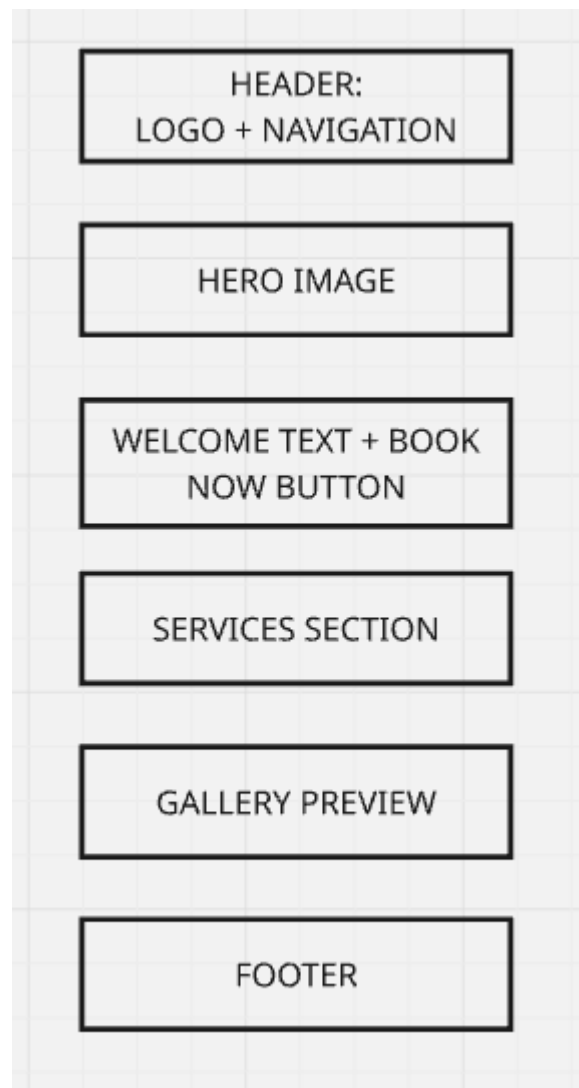

Domain name: R150 per year

Hosting: R1,200 per year

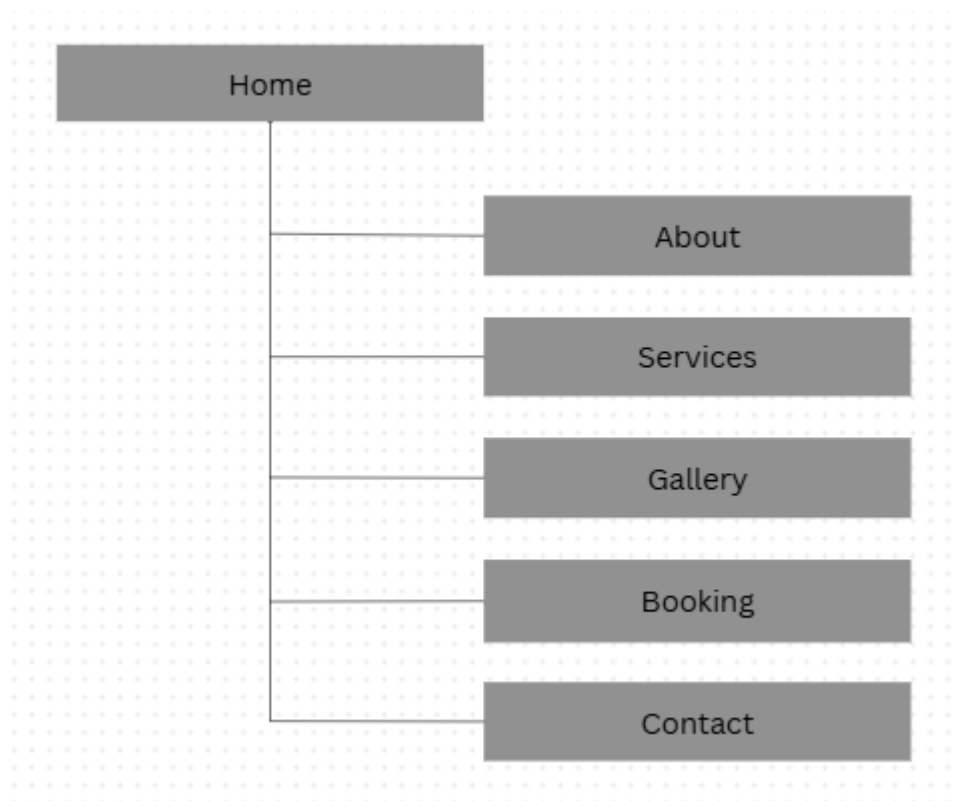

Website development: R4,500

Maintenance: R500 per month
