Organisation Overview

Name:

WomenRise Community Foundation

Background:

WomenRise Community Foundation is a non-profit organisation empowering women and young girls in local communities. Any organisation is thought to have mentorship programs, skills development workshops, and persona growth opportunities to help women build confidence so they can improve their future opportunities.

The organisation collaborates with volunteers, community leaders, and mentors to support women who face challenges such as unemployment, lack of education, or limited career opportunities.

Mission:

- Support women through education and mentorship.
- Promote leadership and personal development.

Vision:

- A community where women have equal opportunities to gain experience and succeed.

Target Audience:

- Young women and students.
- Women seeking mentorship.
- Community members interested in development programs.
- Volunteers who want to support community projects.

Website Goals and Objectives

The main goal of the website is to increase awareness of the organisation and make it easier for people to learn about its programs and get involved.

Objectives:

- Provide information about the organisation's activities.
- Promote upcoming workshops and programs.
- Encourage volunteers to participate.
- Offer a platform where donors can support the program.

Key Performance Indicators:

- Website visits.
- Registration for volunteers.
- Online donations.
- Sponsorship interest.

Current Website Analysis

WomenRise Community Foundation currently promotes its activities through social media and community programs.

Strengths:

- Easy to share updates for upcoming events.
- Can reach community members quickly.
- Good local reputation.
- Encourages community members to take part in the program.

Weakness:

Appears less professional without a website.

Areas for Improvement:

- A professional website for the organisation.
- Volunteer and sponsorship registration section.

Proposed Website Features and Functionality

The website will include:

- **Homepage:** Introduction to the organisation and its purpose.
- **About Us:** Background information about the foundation.
- **Programs page:** Details about workshops and mentorship programs.
- **Volunteer page:** Information about how people can join the foundation.
- **Events page:** Upcoming community events.
- **Contact page:** Contact details and enquiry form.

The website will allow users to:

- Learn about the organisation.
- Read about mentorship and volunteer programs and registrations.
- See upcoming events.
- Contact the organisation for enquiries.

Design and User Experience

Colour Scheme:

Purple, gold, and white to represent inspiration and power.

Typography:

Professional and clear fonts that are easy to read.

Layout and Design:

- Navigation menu: (Home, About, Programs, Events, Volunteer, Contact).
- Photo gallery: From the community events.

Technical Requirements

Domain:

womenrisecommunityfoundation.org

Website hosting:

- Shared hosting (low cost).
- Cloud hosting (better performance).

Programming Languages:

- HTML
- CSS
- JavaScript

Tools/Plugins:

- Google Maps integration.
- SEO tools for search engines.
- Image gallery plugin.
- Donation plugin.

Timeline and Milestones

Week 1: Research

- Study NPO websites.
- Plan website structure.

Week 2: Design

- Choose colours and fonts.
- Choose wireframes.

Week 3: Development

- Build pages using HTML and CSS.
- Add gallery and avigation.

Week 4: Testing and Launching

- Test on phone and laptop.
- Fix errors and improve speed.
- Prepare for launch.

Budget

Domain name: R150 per year

Hosting: R1,200 per year

Website development: R4,500

Maintenance: R500 per month
